

**XIX-th International conference „Materials Engineering&Balttrib
2010”,
Riga, Latvia, 28-29 October 2010**

1. L.Vecbiskena, Z.Irbe, K.Salma, L.Berzina-Cimdina. **Preparation and characterization of mechanically activated β -tricalcium phosphate for bone cements**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 6.
2. Z.Irbe, D.Loca, L.Vecbiskena, L.Mezmale, L.Berzina-Cimdina. **Structural characterization of polylactic acid and calcium phosphate composite cements**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 7.
3. L.Pluduma, K.A.Gross, N.Borodajenko, K.Tonsuaadu, L.Berzina-Cimdina. **Influence of thermal processing on the structure of hydroxyapatite**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 8.
4. V.Zalite, J.Locs, I.Freimanis, D.Jakovlevs, L.Berzina-Cimdina. **The effect of particle size of pore forming agent on the hydroxyapatite ceramic microstructure**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 9.
5. A.Stunda, L.Berzina-Cimdina. **Influence of time and temperature on phosphate glass crystallization**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 10.
6. K.Salma, Z.Irbe, A.Stunda, L.Mezmale, D.Jakovlevs, L.Berzina-Cimdina. **Processing of calcium hydroxide suspensions derived from different calcium sources for hydroxyapatite synthesis**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 11.
7. D.Stepanovs, V.Teteris, J.Barloti, A.Pavlova, L.Berzina-Cimdina. **Thermal processing parameters effect on TiO_2** , XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 15.

8. M.Reimanis, J.Malers, J.Ozolins. **Water preparation using TiO_{2n-1} electrodes**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 18.
9. M.Reimanis, A.Pavlova, J.Locs, I.Freimanis, L.Berzina-Cimdina, J.Ozolins. **Dense titanium oxide ceramics for water preparation with electrolysis**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 36.
10. K.Rubenis, L.Mezmale, J.Locs, A.Pavlova, L.Berzina-Cimdina. **The use of electrolysis for the deposition of copper on the surface of TiO_2 ceramics**, XIX-th International conference „Materials Engineering&Balttrib 2010”, *Book of Abstracts*, Riga, Latvia, 2010, p. 37.
